Regis. Where Guests May \$ 3125 Per Day for a Suite. and Hotel Astor, Where Minim Rate is \$2.50.

OST ALMOST EQUAL,

etwithstanding that the cost of se two princely establishments is set equal as millions go now in the setment involved, they are as widely seent as two hotels can possibly be. Hotel St. Regis represents the fat of invisioness in appointment, say that the furnishings and decorates are princely means nothing, for sees of the blood of the greatest searchies in Europe are content to upy much humbler abodes. The furnishings in the furnishing of the property of th In one suit of three rooms cost and the treasure storehouses of different is the Hotel Astor in its or habiliments. Money has been in this hostelry without regard to but with no such magnificence From sub-cellar to roof there one purpose manifest—to obtain et and unobtrusive harmony in effect riginality in ensemble. Luxury There, Though.

re are no gorgeous tapestries that es once went to war for; there are cloth of gold hangings that reprea king's ransom; there are no eridor after corridor wainscoted in arbie that has been imported from ally by the boat load as the Hotel St.

ean boast of; but of luxury there everything a modest millionaire can to for in Mr. William Walder Astor's course in both places there is a e range in prices its patrons can

for food and lodgings, but after limit has been reached in the adway hotel it is hardly more than in the St. Regis.

which the transfent guest must pay a day, or more than #10,000 a year during every day he occupies this erful apartment he can sleep in a sed that cost \$10,000, sit on chairs that post almost half as muen and listen to clock tick that cost as much as a The bathroom the star chamber guest

of the St. Regis may dally lave himself is walled with solid blocks of Blanco P. marble, the richest product of the sarries of Italy, wherefrom the emperors of Rome drew the stone to orna-ment their palaces and build their mag-lificent baths at Pompell or Hercu-laneum. The floor is of mosaic, and the ets in the tub, the pipes and other etal fittings are of pure silver plate. Wonders Without Number.

To describe each and every wonder this apartment, every stick and stitch which was imported from famous continental bazaars that are only pat-corized by kings and American millionsires, would occupy pages and would sound very much like an inventory of the sacred sleepig chambers of Louis XIV, or his successor, Louis XV. I. fact, every effort has been made to du-plicate many of the tollet appointments of these two monarchs of the most aesthetic nation of Europe.

The carpets on the floor would tickle the soles of the august feet of the Shall of Persia; an Indian Nawab, or the Great Mozul of Delhi, would revel in the wonderful silken hangings, and the Czar of all the Russias rfight forget hir baby boy for a moment to delight in some of the massive gilt furniture that makes the grand salon of the suit dazeling in the sombre brillians. soles of the august feet of the Shat

iling in its sombre brilliancy. The guest who pays \$125 a day for this suit, be he the kind who wishes to see value received written over all his purlases, may receive his money's worth a liberal ducation by endeavoring to ace the many articles of virtu that surce. Mr. R. M. Haan, the lessee of he hotel, spent a year in Europe, as-leted by two famous art connoisseurs eting these appointments.

ut the magnificence does not stop at state suit. It can be found in every ories of the building. Corridors, lobsa, ante-rooms, saloons, libraries, are and in decoration and design. More and hangings alone than can be in this public palace.

St. Regis now contains only 200 e, but an anney will be built call for the investment of at st \$5,000,000 more of Col. Astor's

Passenger Coach Drags a Dining Car Down an Embankment at Pendleton, Mo.-Victims on the Way to St. Louis.

were killed and more than fifty were injured when two cars of the Wabash passenger train which left Des Moines for St. Louis yesterday were wrecked and Primate of England, arrived to-day at Pendleton, Mo., sixty-five miles from Buffalo on a special train on the northwest of here. The Dead.

BRENNER. Mrs. ANNA. Macon. Mo. Fish, Mrs. W. F., Huntington, Pa. FOLCHT, Mrs. HENRY, Huntington, GRAVES, Mrs. C. H., La Piata, Mo. HEBLER, Miss ANNA, Macon, Mo.

HEBLER, Miss ANNA, Macon, Mo.
HENDERSON, Mrs., La Plata, Mo.
NICHOLS, J. E. Macon, Mo.
PATTERSON, EDNA, La Plata, Mo.
Five hundred passengers were on the
train, which was running at its
scheduled speed, when, it is supposed,
a wheel broke on the day coach, which
left the track. The coach broke away
from the baggage car ahead and
pluaged down an embankineut, dragging
after it the dining car, whose weight after it the dining car, whose we snashed it. Most of those killed injured were in the day coach.
